

VILE PLOT IS EXPOSED

REPORT CAME TO THIS CITY LAST NIGHT BY PRIVATE MESSAGE TO THE EFFECT THAT THE TROUBLES IN GOLDFIELD ARE THE RESULT OF ONE OF THE VILEST POLITICAL PLOTS EVER HATCHED IN THIS STATE.

IT IS STATED THAT THE LABOR TROUBLES ARE THE DIRECT RESULT OF A SCHEME FIXED UP BY CERTAIN INTERESTS NOT MENTIONED, BY WHICH THESE TROUBLES WERE TO BE ALLOWED TO REACH A CERTAIN STAGE, AT WHICH MITCHELL, CANDIDATE FOR GOVERNOR ON THE REPUBLICAN TICKET IS TO STEP IN, POSE AS THE GREAT PEACEMAKER, AND BRING ABOUT A SETTLEMENT OF THE DIFFICULTIES.

IT IS STATED THAT THE MATTER HAS BEEN SO WELL ARRANGED THAT MITCHELL WILL HAVE THE FORCE AND EFFECT OF A CERTAIN CLIQUE AMONG SENATOR NIXON'S FRIENDS IN GOLDFIELD, AND THAT THEY HAVE PROMISED TO AGREE TO ANYTHING IN ORDER THAT MITCHELL MAY CARRY OUT HIS PROGRAM.

THE APPEAL IS UNABLE TO UNDERSTAND HOW ANY MAN OR SET OF MEN CAN SO FORGET THEIR MANHOOD AS TO DELIBERATELY BRING ABOUT A CONDITION OF AFFAIRS THAT THREATENS TO WRECK THE PROSPECTS OF THE GREATEST MINING CAMP ON EARTH, TO SAY NOTHING OF THE BLOT ON THE BRIGHT ESCUTCHEON OF THE STATE.

SHOULD THE LABOR TROUBLES REACH A STAGE AT WHICH THE GENTLEMANLY MR. MITCHELL SHOULD BE UNABLE TO EXERT ANY INFLUENCE, THE STATE WILL SUFFER ACCORDINGLY; THE GROWTH AND PROSPERITY OF GOLDFIELD WILL BE RUINED AND THE MEN WHO HATCHED UP THE INFAMOUS PLOT WILL BE RESPONSIBLE FOR IT ALL.

POLITICS AS PLAYED IN NEVADA IS A FIERCE GAME. NEVER BEFORE, HOWEVER, HAS A CANDIDATE FOR OFFICE STOOPE TO A DELIBERATE ATTEMPT TO BRING ABOUT A CONDITION OF AFFAIRS SUCH AS EXIST IN GOLDFIELD TODAY. LIKE FRANKENSTEIN, WHOEVER IS RESPONSIBLE FOR THIS CONDITION, HAS RAISED UP A MONSTER HE IS UNABLE TO CONTROL AND TO HIM, WHOEVER HE MAY BE, WILL FALL THE CURSES OF PEACEABLE, LAW ABIDING MEN AND WOMEN OF NEVADA FOR ALL TIME.

IT MAY BE THE REPORT IS FALSE. IT IS TO BE HOPED IT IS, BUT THE PERSISTENCY WITH WHICH IT HAS BEEN UTTERED CARRIES WITH IT A SEMBLANCE OF VERACITY.

IF MITCHELL SHALL AVAIL HIMSELF OF THE OPPORTUNITY PRESENTED, AND SETTLE THE TROUBLES, IT WILL BE A GREAT PIECE OF WORK, BUT SUCH ACTION WILL GO FAR TO DETERMINE THE TRUTH OF THE STATEMENTS CIRCULATED IN THIS CITY.

IT IS IMPOSSIBLE TO DETERMINE THE STATUS OF AFFAIRS AT GOLDFIELD THIS AFTERNOON, BUT THE DETERMINATION OF THE CONTROVERSY IS AWAITED WITH INTENSE INTEREST BY EVERY PERSON THAT HAS THE INTERESTS OF THE STATE AT HEART.

IF MITCHELL HAS DESCENDED TO SUCH A SCHEME AS IS CHARGED AGAINST HIM AND HIS COTERIE, ANATHEMA SHOULD FOLLOW HIM TO THE ENDS OF THE EARTH.

INDIANS GIVE UP LAND FIRST INSTALLMENT PAID

A rough census just taken by Special Land Agent Casson shows that there are 200 Plutes holding the 30,000 acre reservation of rich agricultural land in Churchill county, and that the allotment of ten acres to each of them will leave 28,000 acres for white settlers. Each Indian regardless of age or sex, is to receive ten acres of tillable land, which the government agrees to supply perpetually with water without cost. As soon as the Indians sign their relinquishments the Reclamation Department will take charge of the reservation that is not assigned to them.

The run on the Hibernian bank continues, although there is no cause for alarm. It is impossible to determine as yet what caused the run but it is attributed by some that uneasiness has been created by the disgruntled agents of insurance companies which have been widely advertised by the attorneys for the bank for repudiating just claims for losses by fire.

An Illinois editor retired from journalism and his "good bye" is chronicled in the following language: "The undersigned retires from the paper with the conviction that all is vanity. From the hour his paper started to the present time he has been solicited to lie on every given subject, and can't remember of having told a wholesome truth without diminishing the subscription list or making an enemy. Under these circumstances of trial, and having a thorough contempt for himself, he retires in order to recruit his moral constitution."

RENEGADES, ABSENTEES AND OATH-BREAKERS

AS PORTRAYED BY THE CARSON CITY NEWS

Mr. Editor:

As a citizen of this state with a desire to do justice to all men whether in or out of office, and without political prejudice in favor or against any person or party, I desire to defend our present state officials in reference to the charges above named.

In the first place our State officers are all live, active and representative business men, having been selected by the people for these distinguishing qualifications. They have not devoted their entire time to the State, neither did their predecessors, nor is it necessary.

The law provides for deputies and clerks. If the principals were expected to perform the entire service, why the necessity of deputies? The principal is held responsible for the acts of his deputies. Has this responsibility been betrayed by either party to the detriment of the State or its citizens? If so, it remains to be proven.

The matter of residence of State officers as quoted in the newspapers is far in excess of the requirements of law when fairly construed. "All of said officers excepting the Surveyor-General, shall keep their office and reside at the seat of government."

Does any reasonable man believe that by the election of a person to a State office he is deprived of the privilege of maintaining more than one residence in the State?

The conditions of law as provided by Section No. 25—1816. Compiled laws, gives the officer the privilege of an absence of three months without forfeiture, censure or inhibition.

If anyone can establish the fact that a violation of this statute has occurred, the accusation might be good; otherwise the charges are without foundation. The assertion that Governor Sparks has not observed his oath is a malicious lie.
